Dear Liz,

Jack Wills Limited and Ingram Hawkins and Nock

Jack Wills are multi-channel retailers of high quality clothing, homeware items and accessories, targeting the age demographic of 16-24. We have 46 retail units across the United Kingdom and Ireland, together with an expanding international presence in the USA. Our turnover last year pushed through the £65 million mark.

We have expanded quickly and needed our professional services firms to meet our demanding targets, deadlines and provide advice in pure and simple English.

Ingram, Hawkins and Nock have been outstanding; assessing and understanding quickly our business thoroughly, providing pragmatic and cost-efficient solutions to our international insurance needs.

I would have no difficulties recommending their services to other businesses.

Yours sincerely,

Fiona Greiner
Finance Director
