About Ingram Hawkins & Nock

Established in 1965, Ingram Hawkins & Nock Limited is a Midlands based firm of independent insurance brokers who specialise in providing services to the recycling industry.

Background to the BMRA Scheme

Launched in 1996, the scheme has gone from strength to strength and now provides cover to over 50 member companies. Here are just a few of the reasons behind the scheme's popularity:

- Friendly advice on cover, regulations and risk management to help you understand and manage your insurance requirements.
- Cover that can be tailored to meet the specific needs of your business and your budget.
- Competitive rates and flexible payment options.
- Emergency claims service—24 hrs a day, 365 days a year.

Can anyone join?

Yes, providing you are a BMRA member and are able to demonstrate a genuine commitment to Health & Safety and active risk management. There will however be instances where members are required to improve working practices prior to acceptance and indeed we reserve the right to decline entry where we feel a member's practices may prejudice the scheme's overall performance.

Who do we contact?

Please feel free to call and we shall be pleased to answer any questions you may have. Better still, simply complete and return the pre-paid enquiry form opposite and we shall contact you prior to the renewal of your existing cover.
